**Bureau of Patrol
011th District**

18 December 2014

TO: Commander Eric Washington
011th District

FROM: Sgt. George Granias #1731
011th District, First watch

SUBJECT: Complain Log Initiation #1073008

On 18 December 2014, first watch personnel on beat 1111R were escorting a prisoner for processing into the rear tactical office interview (room #110) for processing for beat #1112R. As officers Conlisk #8092 and Tripp #3402 were conducting a visual inspection of the immediate area where they sought to secure the prisoner, they observed several foreign objects secreted underneath the radiator located on the south wall of the room. Further inspection revealed that the objects were actually twelve zip lock baggies containing a white powdered substance (suspect Heroin). Based on the amount of dirt and dust, the baggies appeared to have been secreted under the radiator for a period of time. Officers Conlisk and Tripp immediately recovered said baggies before securing prisoner to the bench. The officers then notified R/Sgt and DSS Gallagher. The officers then completed case report [REDACTED] and inventoried said narcotics under inventory [REDACTED]

R/Sgt conducted search of said area of recovered narcotics and observed the area where the narcotics were recovered. Based on the frequent use of the room by numerous police units and the limited visibility of the location where the narcotics were recovered, R/Sgt was unable to determine how, when, or by whom the narcotics were secreted. R/Sgt obtained CL#1073008 at 0250 from P.O. Gonzalez at Operations Command.

Sgt. George Granias #1731
